

## What we are learning:

**Language Arts:** We are learning about the ch, sh, th, and wh digraphs. We will continue to work on comprehension strategies including making predictions, making connections, and retelling key details within stories. We will also work on pronouns as well as past and future tense.

**Social Studies:** We are learning about making New Year's resolutions and goals. We will learn to place events in chronological order. We will talk about important historical figures such as Martin Luther King Jr and his contributions. He will teach us how to be a good citizen.

**Science:** We are learning about habitats and basic needs of animals and plants in the Arctic and the desert.

**Math:** In Math we are writing and comparing numbers up to 20. We will also talk about comparing more than, less than, and equal to. In addition, we will identify and sort 3D shapes.

Please continue reading for 10-20 minutes each night. Sight word practice is GREAT too! 😊

## Upcoming Dates:

**January 15<sup>th</sup>:** School Holiday

**January 30<sup>th</sup>:** Spring Open House

Happy  
New Year  
2018!!!!
