

May 15th – May 19th

3rd Grade Newsletter

Math:

Students will begin to “step-up” to 4th grade. Students will build upon their 3rd grade learning to prepare for 4th grade next year. Topics to work on will include: rounding, 2 digit times 1 digit multiplication, fractions, and more.

Language Arts:

Students will work on writing procedural, expository, and persuasive text. Students will continue to review past taught concepts, such as, prefixes and suffixes, context clues, and synonyms and antonyms. Students will also focus on the genre media literacy.

Science:

Students will watch Jeff Corwin videos and follow him as he explores the many wonders of the Rainforests. Students will continue to learn about the rainforest and all it entails.

Social Studies:

Students will begin continue learning about economics.

Mark Your Calendar
