What's Happening in:

Science

We are learning about Earth's weather patterns.

Social Studies

We are learning about Texas and the Civil War and Reconstruction.

*Math

We are doing spiral review for math CBA on Tuesday.

*Language Arts

We are doing spiral review of expository and procedural texts for CBA next week.

*Homework is given on Friday and is due the following Friday.

Bringing the Habits Home

We have started something a little different this semester. Each month on social media, we will highlight a specific habit and ask families to post how they are using that habit at home.

This month is Sharpen the Saw.

So be sure to comment, share, retweet, like, and react!
